
PARENTS/STUDENTS MEETINGS RECAP

Thank you to those that were able to attend last night's Parents and Students Meetings. This is a summary recap of those meetings. If you would like more detailed information, please contact me or one of the Youth Committee members whom I will list at the bottom of this brief.

The discussion last night was geared around the Student Ministry moving forward in the current COVID climate and beyond. In the parent meeting, we discussed the spiritual vision for the ministry, tangible things that could potentially help achieve that vision, and potential roadblocks. The Students had similar discussions and let me say, we have some amazing students. They are still teenagers working this faith thing out, but they show flashes of spiritual greatness. Last night was one of those nights and I am proud of them!

The Youth Committee and I are meeting again this Sunday to begin the process of working through all discussion notes and responses we received. Please pray for us continuously as we strategically plan and shape the future of this Student Ministry. Specifically, pray that we would follow the Lord's guidance through prayer and the scriptures above all other driving forces. Then pray for the ministry, that we engage students in a welcoming and unified atmosphere where people are drawn in because there is something special here. Lastly, pray for students, parents, and yourself individually that we will seek the Lord with all our heart and that there would be a desire in all of us to embrace and support the work of the ministry in whatever ways are deemed best.

In Christ's Love,
Trent
